

North Newton Schools

School breakfast is good for kids and good for parents! A great breakfast program is offered at school every morning before school in our cafeteria. Here are some fun facts about school breakfast. It's easy! Instead of running around in the morning trying to make sure your child eats a healthy meal, let us do the work. They can get a great breakfast at school and there will be no dishes for you to wash. If you qualify your child may be able to get breakfast at a reduced price or for free. If your child already eats a free or reduced-price lunch they automatically qualify for free and reduced prices for breakfast. Researchers suggest that not having breakfast can affect children's intellectual performances. It's good for the brain.

The menu is on our school website www.nn.k12.in.us for review.
