## **I. ORGANIZATIONAL INFORMATION**

### **SCHOOL DELAYS AND CLOSINGS**

If the North Newton School Corporation Schools should be closed due to bad weather, etc., the announcement will be made on the North Newton School Corporation (NNSC) website, NNSC notification/alert system Messenger, and the school's Facebook account as early in the day as possible. If the students have boarded the buses in the morning and school must be closed, the buses will return the students to their homes immediately. There will not be an early release day if there is a 2-hr delay.

### **BUILDING HOURS**

The building will be open in the morning by 7:15AM and close by 2:45PM. Students in the building after 2:35PM must be supervised by a coach, club sponsor, etc. Custodians are not to assume this responsibility.

### **CLOSED CAMPUS**

North Newton Jr-Sr High School is a closed campus. This means that upon the arrival of a student on campus students are not permitted to leave the school grounds without permission of the administration. This also applies to not allowing food to be delivered to the building. The only students who shall have permission to leave the school are those leaving as an extension of their educational program, students who have obtained special permission from an administrator, students who become ill at school, and students with clinical appointments. The following procedure will be in effect to govern clinical appointments:

1. The parents shall notify the school by telephone or written notices of the appointment date, time, and location.
2. The student is required to sign-out at the Student Services.

### **NON-DISCRIMINATION POLICY**

North Newton School Corporation has adopted a policy stating that no person shall, on the grounds of race, national origin, sex, age, or handicap be excluded from participation in, be denied benefits of, or otherwise be subject to discrimination under any program, activity, event or job. As required by the Indiana Civil Rights Act (I.C. 22-9-1), I.C. 20-8.1-2, Titles VI and VII of the Civil Rights Act of 1964, the Equal Pay Act of 1973, Title IX (1972 Education Amendments), Section 504 of the Rehabilitation Act of 1973.

Inquiries regarding compliance with Title IX, Section 504, or the Americans with Disabilities Act should be directed to the Superintendent of the North Newton School Corporation or to the Office of Civil Rights, U.S. Department.

### **DISABLED INDIVIDUALS POLICY STATEMENT**

It is the policy of the North Newton School Corporation not to discriminate against an otherwise qualified disabled person, solely be reason of his/her disability, in admission or access to, or treatment or employment in, any program or activity sponsored by this school corporation.

Inquiries regarding compliance with this policy should be directed to the Superintendent of North Newton School Corporation, PO Box 8, South Lincoln Street, Morocco, IN 47963, or the Office for Civil Rights, U.S. Department of Education, Washington, D.C.

## II. DISCIPLINE DEFINITIONS AND PROCEDURES

Students are expected to follow the rules of behavior-as adopted by the Board of School Trustees and as stated in this handbook. Failure to follow these rules may result in any or all of the following: parental conference, detention, lunch detention, Friday School, ACS, OSS, expulsion and/or prosecution by civil authorities.

### **Students are expected to:**

- A) Act respectfully toward adults and fellow students;
- B) Be prompt to school and attentive in class;
- C) Work cooperatively with others when involved in accomplishing a common goal regardless of the other's ability, gender, race or ethnic background;
- D) Complete assigned tasks on time and as directed; and
- E) Help maintain a school environment that is safe, friendly, and productive.

### **Students are subject to school rules:**

1. On school grounds before or during school hours or after school hours and at any other time when the school is being used by a school group.
2. Off school grounds at a school activity, function, or event.
3. While traveling to or from school or a school activity, function, or event.

A school activity, function, or event includes e-Learning, virtual instruction, and remote learning days.

In addition, students may be disciplined for engaging in unlawful activity on or off school grounds which may be reasonably be considered an interference with school purposes or educational functions or which necessitates their removal to restore order or protect persons or school property. This includes any such unlawful activity that takes place during weekends, holidays, and other school breaks, and the summer period when a student may not be attending classes or other school functions. In the absence of student self-discipline, there are times when it is necessary for school officials to make a decision concerning the acceptability of a student's behavior when it interferes with school purposes or educational functions. Each administrator, teacher, or any other school personnel is responsible for enforcing the rules for student conduct adopted by the individual school and the Board of School Trustees. Where a conflict in policy exists, School Board regulations or State/Federal statute supersedes this handbook. These decisions will be based on the welfare of the total school community and the behavior's effect of the learning environment. While some infractions will receive the maximum allowable punishment, other disciplinary consequences may be altered, based on the discretion of the principal.

### **ACADEMIC DISHONESTY**

Students are expected to demonstrate integrity in their learning processes. Academic dishonesty is described in the following three ways:

- **Passive:** knowing or having knowledge of a student altering, affecting, influencing, or enhancing his/her grade or other academic standing/work (cheating) by means other than through personal knowledge.
- **Active:** a student directly involved in student altering, affecting, influencing, or enhancing his/her grade or other academic standing/work (cheating) by means other than through personal knowledge. This includes using artificial intelligence.
- **Aggressive:** a student or students planning, scheming, organizing, or conspiring, and then putting into action or making available a means that could alter, affect, influence, or enhance a student's grade or other academic standing/work. This would include plagiarism. This includes using artificial intelligence.

## **BATTERY**

When a student physically assaults another student without the other student reciprocating.

## **BULLYING**

"Bullying" (per IC 20-33-8-.2) means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other targeted student and create for the targeted student an objectively hostile school environment that: (1) places the targeted student in reasonable fear of harm to the targeted student's person or property; (2) has a substantially detrimental effect on the targeted student's physical or mental health; (3) has the effect of substantially interfering with the targeted student's academic performance; or (4) has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.

### **Categories of Bullying for IDOE Reporting Requirements:**

- **Physical** - Involves hurting a person's body or possessions. It includes hitting/kicking/punching, spitting, tripping or pushing, taking or breaking someone's things, and making mean or rude hand gestures.
- **Verbal** - Involves saying mean things. It can include teasing, name-calling, inappropriate sexual comments, taunting, or threatening to cause harm.
- **Social/Relational** - Involves hurting someone's reputation or relationships. Social bullying involves telling other children not to be friends with someone, leaving someone out on purpose, spreading rumors about someone, or embarrassing someone in public.
- **Electronic or Written Communication** - Involves cyber-bullying, collective or group note writing, any bullying undertaken through the use of electronic devices (computer, cell phones).

Bullying fosters a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims and create conditions that negatively affect learning. Bullying includes unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. The imbalance of power involves the use of physical strength, or popularity to access embarrassing information to control or harm others. Bullying can occur anywhere (in school or outside of school) and at any time – both during and after school hours. Bullying can include physical bullying, verbal bullying, social/relational bullying, and electronic/written communication.

Considerations in determining if the behavior meets the definition of bullying:

- The history between the individuals. Have there been past conflicts? Have these individuals had a dating relationship? (This may not be considered bullying)
- Power differential. Is there an imbalance of power? (Power imbalance is not limited to physical strength.)
- Repetition. Has this or a similar incident happened before? Is the individual worried that it may happen again?

Bullying is not:

- Mutual name-calling or conflicts
- General disagreements or "drama" between an equal number of individuals who have a mutual dislike of each other

- A passing or isolated occurrence
- Actions or words that unintentionally cause harm or hurt feelings
- An excuse for a student’s inappropriate conduct

## **CELL PHONE & ELECTRONIC POLICY**

The purpose of this policy is to ensure a conducive learning environment and minimize distractions during instructional time while also recognizing the educational potential of wireless communication devices.

Definitions:

1. **Instructional Time:** Refers to the time during which students are engaged in educational activities as defined in IC 20-30-2-1. North Newton Jr-Sr High School will consider instructional time to mean bell to bell learning in the classroom.
2. **Wireless Communication Device:** Any portable device capable of voice, messaging, or data communication, including but not limited to cellular phones, tablet computers, laptop computers, wireless earbuds, smart phones, and gaming devices.

**Policy:**

1. **Prohibition During Instructional Time:** Students are prohibited from using wireless communication devices during classroom time (in the classroom), unless permitted otherwise by this policy.
2. **Educational Use Authorization:** North Newton Jr-Sr High School will allow students to use North Newton Jr-Sr High School assigned Chromebooks for learning purposes. Teachers may allow students with advanced knowledge/permission to use wireless communication devices for educational purposes such as calculators during instructional time.
3. **Exemptions:** Students with individualized education programs (IEPs) or plans developed under Section 504 of the federal Rehabilitation Act of 1973, 29 U.S.C. 794, shall not be prohibited from using wireless communication devices during instructional time if such use is included in their plans.

This policy is enacted in compliance with Section 40.7 of IC 20-26-5-40.7 of the Indiana Code, effective July 1, 2024. This policy aims to balance the need for a focused learning environment with the educational potential of wireless communication devices, ensuring that their use is regulated in a manner that maximizes their benefits while minimizing disruptions.

## **SEXTING & UNAUTHORIZED VIDEO RECORDINGS**

It is our policy that a student may not possess, view, send, or share pictures or text having sexual content while the student is on school grounds, at school sponsored events or on school buses or other vehicles provided by the school. This policy strictly prohibits sexual material contained in a cellular telephone, camera phone, or personal digital assistant and sexual material transmitted by text message, e-mail, social media, or any electronic communication device. Students possessing wireless or electronic communication devices that contain evidence of “sexual conduct” related to child exploitations [IC 35-42-4-4(b)], child pornography [IC 35-42-4-4(c)], and sexual conduct [IC 35-42-4-4(a)] will face legal consequences per the above-referenced Indiana Code. A person convicted of or adjudicated as a juvenile delinquent for violating the child exploitation statute is required to register as a sex offender per the Indiana Sex Offender Registration Statue [IC 11-8-8-7] and the Sex Offender Offense Statute [IC 35-42-4-11]. A student who violates this policy is subject to suspension and/or expulsion.

Administration reserves the right to confiscate and search any item or device used or suspected to be used in such activity.

School personnel are required to report to law enforcement or child protective services whenever there is a reason to believe that any student or other person is involved with child exploitation or child pornography. A person who is convicted of child exploitation or adjudicated a juvenile delinquent for violating the child exploitation statute is required to register with the State of Indiana as a sex offender.

- Taking, recording, displaying, and/or distributing pictures (digital or using any media), video, or audio recordings without the consent of the student or staff member in a situation not related to school purpose or education functions.
- Creating or distributing information including information distributed via email or web sites, including social networking sites, which results in, or is likely to result in, the disruption of an educational function, advocates a violation of law or a student conduct rule, is sexually explicit or obscene, is slanderous or defamatory, misrepresents the identity of a student, or invades the privacy of an identified or identifiable person.
- Recording, attempting to record, or expressing an intention to record and/or distribute content containing fights or other activities prohibited in this handbook will result in suspension. Use of any camera or recording device must be done with the express permission of those being photographed or recorded and in compliance with all school regulations.

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

North Newton Administration reserves the right to use discretion in determining the type of clothing allowable in the school setting. In the case of expulsion meetings, the parent/guardian/custodian may be required to attend a meeting to determine the educational future of the child (i.e. whether the child is removed from or retained in school or placed in an alternative program).

The superintendent, principal, or other administrative personnel shall be authorized, with parental consent, to require behavioral testing, counseling, or drug or alcohol abuse evaluation by a licensed agency approved by the school corporation; if such testing, counseling, or evaluation is necessary to help any student, to further school purposes, or to prevent an interference with school purposes. The cost of these services shall be the responsibility of the parent/guardian/custodian and the school corporation may require, with parental consent, the release of the results, progress reports, and other information to appropriate school officials.

### **NON-COMPLIANCE OF PARENTS**

Non-compliance of parents/guardians/custodians with the provisions of this policy may be considered educational neglect with the child being considered a "child in need of services" in accordance with Indiana law. Where the child's behavior has been repeatedly disruptive in the school and the parent, guardian or custodian fails to participate in a disciplinary proceeding in connection with the child's behavior, the matter will be referred to Child Protective Services.

#### **IV. ATTENDANCE**

Parents please call **219-285-2252** and select the “Attendance” option when your child is absent from school.

##### **ATTENDANCE PHILOSOPHY**

The Board of School Trustees requires that all students enrolled in the North Newton School Corporation will attend each school day. State law requires students to be in school 180 days. A student in attendance during any part of the day, up to and including one-half (1/2) of the day, shall be counted as one-half (1/2). A student in attendance for more than one-half (1/2) of the day shall be counted as one (1). The school corporation will enforce the State of Indiana Compulsory Attendance Laws.

Accordingly, North Newton Jr./Sr. High School can perform well in academic terms but be placed in a lower achievement category due to insufficient attendance and graduation rates.

Regular attendance and punctuality are essential for success in school and are necessary habits for life. Irregular attendance is one of the main factors for poor work ethic and failure in school. Students who attend school regularly have greater success in their academic pursuits than do students who do not attend on a regular basis. The primary responsibility for attending class lies with the student.

##### **TYPES OF ABSENCE**

While school records will be more detailed, there are four basic types of absences at North Newton:

- I. Excused: Student is absent from school for a reason that is documented in “Section 1: Excused Absence” below.

- II. Explained: Student is absent from school or class and the parent has notified the school of a legitimate reason for the absence (e.g. illness not verified by a doctor).
  - III. Unexcused: Student's absence is explained by parent or guardian but is not necessary (e.g. family vacation).
  - IV. Truant: Student is absent from school or class without explanation from parent / guardian.
- Eighteen-year-old non-emancipated students enrolled in this school must comply with all attendance procedures. Parents are still responsible for a student's attendance and education until the student graduates, formally discontinues education, or become legally emancipated.

### **Section 1: Excused absences**

Excused absences require verification from the student's parent or guardian as well as meeting additional criteria. All notes for excused absences must be turned into the attendance secretary either before the absence or within two school days of returning to school. Medical notes or other verification will not be accepted after this time period unless extraordinary circumstances exist. If the medical note is not provided within two school days, the absence will be counted as explained.

The following absences are excused:

1. Medical release for a specific period of time.
2. Service as a page for or as an honoree of the Indiana General Assembly.
3. Student serves on the precinct election board or as a helper to a political candidate or to a political party on the date of each general, city or town, special or primary election. Prior permission is required.
4. Subpoena to appear in court. (Court note required)
5. Active duty with the Indiana National Guard for not more than ten (10) days. (A note from the recruiter is required)
6. Military examination (with prior administrative approval) (An official note from the recruiter is required)
7. School – sanctioned field trips.
8. Student sent home by the school due to an illness. (This is not a medical excuse)
9. Visits to a college campus. This is limited to Juniors and Seniors. Seniors and Juniors are allowed (2) days per school year with administrative approval. Visitation days may not be taken during the last two weeks of either semester and visitation days count as parental notes.
10. Job Shadow. This is limited to Seniors. Senior student can job shadow a job that is in their Graduation Pathway or special circumstance with administrative approval. Seniors are allowed two (2) days per school year with administrative approval.
11. Deaths and funerals of members of the student's immediate family. Immediate family is typically defined as parents and siblings of the student, but may also include a person with whom the student shares a residence and to whom he or she is related by blood or marriage. Administration reserves the right to determine whether the absence will be counted as excused or explained. Students who are absent for this reason must have a parent/guardian contact the school and bring in a note from parent/guardian explaining the absence and a funeral/service note.
12. Physician's/Medical excuse: If a student has medical orders stating the student cannot be in the building due to illness, hospitalization, or other medical need this document must be presented upon the student's return to school with the proper dates of the student's absence(s). Additionally, this document must be on the physician's letterhead or office form, and must be signed by physician or his/her office personnel and be verified by the school. Preventive care or medical appointments not deemed urgent may be classified as explained or unexcused. These would include dental, routine

physicals, orthodontic, and so forth. Every effort should be made to schedule such appointments after school hours. Missing school due to documented medical illness will be categorized as excused. If an absence should become so long as to exceed (10) days due to a persistent or recurring medical condition, a meeting with the Dean of Students and Director of Guidance (or designee) will be necessary to determine the best plan to provide for a student's education.

13. Religious holidays that fall on the school calendar and have prior administrative approval.
14. Incarceration
15. Suspensions (in-school or out-of-school)
16. Administrative Excused Absence

## **Section 2: Explained Absence**

An absence is defined as explained when it does not meet the requirements of section 1 above, but is acknowledged by a parent or guardian note or call and presents a valid reason for the absence. This includes brief student illnesses (1-2 days) and any obligation that forces a student to miss school for good reason. If absence extends beyond 2 days, a medical note is required.

## **Section 3: Unexcused Absence**

An absence is deemed unexcused when a parent is aware of an absence but it is not due to illness or other criteria defined in the sections above. Family vacations or other absences not necessary are considered unexcused. There is no penalty for an absence being labeled unexcused as compared to explained, but is used for record-keeping purposes to identify an unnecessary absence from school.

1. All undocumented doctor's appointments.

## **Section 4: Truant**

It is the responsibility of each student at North Newton Jr.-Sr. High School to attend school every day that he/she is physically able to do so.

1. Truancy is when a student is absent from school or class without parents' knowledge or permission.
2. Being more than (5) minutes late or leave (10) minutes early for a class.
3. All students are expected to be in an assigned area or activity while on school property during the entire school day, or they will be considered truant.
4. Any student who leaves class without permission is considered truant.
5. Truancies are cumulative for the year.
6. Under IC 20-33-2-25, the "Superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school in violation of this chapter to an intake officer or the juvenile court of the department of child services."
7. Truancy applies to students who remain in the restrooms due to illness without reporting to a teacher, administrator, or nurse.
8. Truancy is punishable by suspension and/or expulsion. North Newton Jr./Sr. High School defines a student who has accumulated four (4) truancies within a school year as a "habitual truant". With the accumulation for four (4) truancies in a school year, the Bureau of Motor Vehicles may be notified. North Newton administration will contact probation when appropriate.
9. The parking lot is considered off limits at all times, except before and after school for those students who have permission to drive. Students must be escorted to their cars during school hours.

In accordance with SEA 282, North Newton Jr-Sr High School will implement the following actions to address truancy, with the goal of preventing students from becoming habitual truants and minimizing the need for referrals to voluntary truancy prevention programs or reports to juvenile court.

**1. First Warning:**

- **Criteria:** When a student accumulates 3 truanancies and/or 5 explained absences within a school year.
- **Action:** A letter will be sent to the parent/guardian regarding the student's attendance, serving as the first warning.

- **Attendance Contract:** The student will be placed on an attendance contract, outlining specific expectations and interventions.

**4. Truancy Committee Meeting and Disciplinary Actions:**

  - Suspension.
  - Expulsion.
  - 120-day license suspension (IC 9-24-2).
  - Denial of license until age 18 (IC 20-33-2-11).
  - Referral to the Newton County Prosecutor's Office.
- **Note:** Disciplinary measures will vary based on the nature and severity of the truancy.

**HABITUAL ABSENCE**

IC 20-2-6.5 defines habitual truancy to include student absent ten (10) days or more from school within a school year without being excused or without being absent under a parental request filed with the school. Chronic absenteeism includes students absent from school for ten percent (10%) or more of a school year for **any** reason.

**MAKE-UP WORK FOR ABSENCE**

Students are expected and responsible for asking teachers for make-up work and for completing the assignments accumulated during an excused and explained absence. When a student has an **excused** absence, he/she will be given every reasonable help and consideration after his/her return to school in completing assignments given

during the period of absence. When a student has an **excused** absence, the student is responsible for checking Google classroom to see what work was completed and turn in completed work upon return. Arrangements can be made when necessary between student and teacher.

1. All work for excused absences will be accepted by the teachers.
2. When a student has assignments, which were given at least four (4) days prior to the student's absence, such as, but not limited to, term papers, book reports, or special projects, the assignment shall be due on the established due date even though the student is absent on that date. It is the responsibility of the student to arrange to have the assignment turned in on the established date. Extensions of time for the completion of such assignments and waiver of penalty may be granted at the discretion of the teacher or building principal.
3. When a student is truant, no credit will be given for make-up work.
4. When a student a student is assigned ACS, he/she will be required to make up all class work for full credit and complete any other assignment(s) given by the supervisor.

### **EXCEPTIONS**

The Principal or his/her designee shall determine exceptions to the above policies and procedures due to extensive illness, hospitalization, or other extenuating circumstances.

### **TARDIES**

The expectation at North Newton Jr-Sr High School is that all students are to be in their assigned classroom and ready to learn by 7:30 AM, and at the start of each class thereafter. Students not in their assigned classroom at the start of class are considered to be tardy. Tardiness of five (5) minutes or more may be considered truancy. Students arriving after the start of 1st period are to sign in at Student Services.

### **LATE ARRIVAL/EARLY DEPARTURE**

1. Arriving to school late may constitute a tardy or half-day absence, depending on arrival time. Late arrivals due to appointments must be documented by a doctor's certificate.
2. Departing early before the end of the school day for appointments may constitute an early dismissal or a half-day absence, depending on departure time. Documentation by a doctor's certificate will be required.
3. North Newton Jr-Sr High School is a closed campus during the school day and students are to remain on school grounds from arrival in the morning until dismissal time in the afternoon. This also means, that outside fast food cannot be delivered and/or brought to students during the school day.

### **VACATIONS AND FINAL EXAMS**

1. Vacations and most pre-arranged absences are considered unexcused.
2. Final exams will not be given early to a student unless extraordinary circumstances exist. The last scheduled day of school frequently changes throughout the year due to school closures. Final Exams will be given on the last scheduled day of school and each semester.
3. Parents should not plan vacations for summer or winter break that overlap with the end of the semester / end of school year.

lic

If students are absent on the last day, teachers will enter a 0 in the gradebook and will not be required to allow the student to make up the test unless prearranged.

### **ATHLETIC/EXTRACURRICULAR ELIGIBILITY**

Students must arrive by the end of first hour to be eligible for practice, games, dances, and/or any other school function.

## **V. EXTRA-CURRICULAR & STUDENT DRIVER RANDOM SCREENING POLICY & PROCEDURES**

### **PURPOSE**

North Newton Jr./Sr. High School believes that all students can be successful. This is especially true when obstacles that impede success are removed. The implementation of a random drug screening policy will offer students of North Newton Jr./Sr. High School a substance abuse-free environment. The purpose of this program is to create a supportive environment in which students are able to make responsible and healthy choices.

### **SCOPE**

This program will include every student who participates in any school sanctioned extra-curricular activity, such as athletics, clubs, work programs, dances, etc. Any student who wishes to drive to school will also be required to participate. Participation in the drug screening program is a condition of participation. Students or their parents/guardians who do not give consent will not be allowed to participate in a school sanctioned activity or drive to school until consent has been given. All students who fall into these categories will be required to submit a urine sample if they are selected during the random screening process. Failure to give consent to participate or submit a sample will be considered as a positive result. This policy and procedure will not violate the rights or liberties of any participant in accordance with local, state, and federal laws.

### **DRUG EDUCATION**

The administration will inform the parents of students of the conditions and expectations of the screening program and will provide a consent form. The consent form must be signed and returned prior to participation.

### **PHILOSOPHY**

The philosophy of the program is to assist students in making healthy life choices. The purpose of this program is to educate, help, and direct students away from substance and alcohol abuse; and towards a healthy and substance-free participation. No student shall be expelled or suspended from school as a result of any verified positive test conducted by the school under this program other than those stated therein. However, a student will be suspended from extra-curricular activities and/or driving privileges if found in violation of this policy.

### **TESTING PROCEDURES**

The testing procedure will consist of established procedures of the company contracted to take and process the samples given by the students. A copy of these procedures will be made available to parents, guardians, or students upon request.

1. Students' names will be placed into a pool/database and assigned a number. A list of students will be randomly selected by the testing company. The list will be sent to North Newton High School. Students will be given no advance notice or early warning of testing. The administration will bring each student to submit a sample. An area for sample collection will be provided that will ensure privacy and the integrity of the sample. The sample will be collected by a representative of the testing company.
2. If the student shows signs of reasonable suspicion, the administration may call the student's parent/guardian and ask that a student be tested. Factors will include, but are not limited to, excessive discipline problems and/or excessive absences from school. Also, parent/guardian may request testing of his/her student. A parent/guardian may request that their child be tested twice if they are not originally selected. This is to avoid the misuse of the process due to the cost of each test.
3. All samples will remain under the supervision of the administration of North Newton Jr./Sr. High School. The sample will be analyzed by the testing company. In addition, a strict chain of custody will be enforced to eliminate invalid tests or outside influences.

4. All students will remain under the administration's supervision until they have produced an adequate sample. If the student is unable to produce a sample, the student may be given up to twenty-four (24) ounces of fluid. If the student is still unable to produce a sample within one hour, the student's parent/guardian will be notified that the student will not be able to participate in the activities he or she is currently involved until a sample is produced.
5. If it is proven that tampering or cheating has occurred during the collection of the sample, the student will become ineligible for all activities until results are produced by the parent/guardian at their own expense.
6. The laboratory selected must follow the standards set by the Department of Health and Human Services and must be certified under the auspices of the Clinical Laboratory Improvement Act (CLIA).

### **CHAIN OF CUSTODY**

1. The student will be escorted to the testing site by an administrator/designee. All students will not be sent to the testing site simultaneously. Testing four to five students at a time allows the testing to be carried out quickly and will not cause students to wait a long time, thereby creating a loss of important time from class.
2. Once at the health suite (testing area), the student must sign in and, as soon as called by the collection technician (or designee), provide a specimen.
3. The collection technician (or designee) will give each student being tested a specimen container. At that time the student will sign a verification form indicating the specimen container is untainted. The specimen container will remain in the student's possession until a seal is placed upon the specimen container by the collection technician (or designee). The student and collection technician (or designee) will sign that the specimen has been sealed. The seal may be broken or opened only by the laboratory testing the specimen.
4. If the seal is tampered with or broken after leaving the student's possession and prior to arriving at the lab, the specimen is invalid, and will be discarded without being tested.
5. The students will enter the restroom provided by the collection technician (or designee). Students will be instructed to remove coats and wash their hands in the presence of the supervisor. The door will be closed with the student by himself/herself in the restroom to provide a urine specimen. The supervisor will wait outside the restroom. The commode will contain a blue dye so the water cannot be used to dilute the sample.
6. The laboratory personnel will transport the specimen to the testing laboratory. The testing laboratory will report the results to the principal (or designee).

### **POSITIVE TEST RESULTS AND APPEAL**

In the event a student tests positive by the laboratory, that result will be sent to a Medical Review Officer. The Medical Review Officer shall be a licensed physician with knowledge of substance abuse disorders. The role of the Medical Review Officer is to review and interpret positive test results. The Medical Review Officer is a physician knowledgeable in the medical use of prescription drugs and pharmacology and toxicology of illicit drugs. It will be the Medical Review Officer's role to determine any valid medical reason for the positive test. The Medical Review Officer will contact the principal (or designee) of the results. The principal (or designee) will contact the custodial parent/guardian and the student about these results. If an acceptable reason for the positive test is not established, the test will be considered "failed," and then the principal (or designee) will be contacted regarding the results.

In the event of a failed test, the student and custodial parent/guardian will be told that a restriction from participating in any of the listed activities and/or driving to school will be imposed for thirty (30) days. The student or his/her custodial parent/guardian may appeal by requesting that the urine sample (kept by the lab for

a year) be tested again by the laboratory (or another accredited laboratory) at a cost to the student or his/her custodial parent/guardian.

### **WORK COMP MANAGEMENT SERVICES (WCMS) COLLECTION PROCEDURES**

Both WCMS and its collectors ensure the integrity and security of the specimen throughout the entire collection process. Our collectors are DATIA certified and follow all DOT regulations. We rely on our collectors to perform their job professionally and provide the donor's modesty and privacy.

- Step 1: Student checks in with collector and removes coat and empties pockets.
- Step 2: Collector writes the students assigned ID number on chain of custody, and has the student sign his/her name on copy 2 of the chain of custody, student then initials both specimen labels.
- Step 3: Collector gives student a collection container to provide a specimen.
- Step 4: Collector prepares restroom for donor (stool will have dye and faucets turned off).
- Step 5: Collector explains to student, he/she will need to void about half way into specimen container, not to flush and bring specimen out to collector when finished.
- Step 6: Student enters restroom by him/herself, closes door, provides sample, hands specimen to collector. Students will not leave or have his/her sample out of their view until WCMS completes the remaining steps.
- Step 7: Collector checks specimen temperature and color.
- Step 8: Collector pours specimen into 2 vials (opened in front of student) then seals bottles and places specimen labels (initialed by student) on sealed bottles.
- Step 9: Collector places the sealed specimen and chain of custody in the plastic bag and seals the specimen bag.
- Step 10: Sealed bag with all items will be secure and transported back to WCMS, where they will be picked up and sent out to our lab.

### **GENERAL TRAINING AND BEHAVIOR REGULATIONS**

Training and behavior regulations are rules to be followed. They are guides to help you become a better athlete and student representative of North Newton School Corporation. These regulations at North Newton School Corporation are in effect all year (summer as well as the school year/in or out of school/on or off school grounds), and we expect all our students to adhere strictly to all of these rules. Additionally, offenses and/or violations of these policies are accumulative during a student's participation in all extra-curricular activities at the high school level. You are also governed by the Substance Abuse Policy for the North Newton School Corporation.

### **POSSIBLE SUSPENSIONS OTHER THAN SUBSTANCE ABUSE**

Personal Behavior:

1. A student may be suspended from athletics/club activities for conduct unbecoming a North Newton School Corporation student/athlete, which includes, but is not limited to, the following: use of violence, force, hazing, noise, coercion, threat, intimidation, passive resistance, or other conduct constituting an interference with the extra-curricular program. He/she may be suspended for urging other students to engage in the above conduct.

All are grounds for suspension.
3. Profanity or other vulgar, obscene behavior, will not be tolerated.
4. Disrespect, rude behavior, and/or harassment will not be tolerated. We expect our students to be courteous and respectful at all times.

- Classroom behavior should set an example for other students. Proper respectful attention should be given to teachers, fellow students, and classroom activities. Horseplay, clowning, and smart mouthing are not acceptable habits of behavior in the classrooms, halls, lunchrooms or most other places.

**PROCEDURE FOR SUSPENSION**

First Infraction	The student will miss a minimum of 20% or no less than two (2) contests of his/her current sport/activity season and/or his/her next sport/activity season, beginning when the first violation is discovered and verified by the school officials. **VI. TRANSPORTATION**

**SCHOOL BUS AND BUS STOP BEHAVIOR**

The school bus and bus stop are considered extensions of the school campus and all rules of conduct and consequences will be enforced the same as if the actions occurred directly on the school campus. The phrase “portal to portal” refers to the concept that a student’s conduct and behavior is subject to the school’s discipline policy from the time he / she exits the door to the residence and until he / she enters it at the end of the day.

**GENERAL RULES AND DISCIPLINARY ACTION**

- When a student enters the bus they should report directly to their seat.
- No student shall stand or move from place to place during the trip without permission of the bus driver.
- Loud, boisterous or indecent conduct shall not be tolerated.
- Students shall not be allowed to tease, scuffle, trip, hold or use their hands, feet, or body in any objectionable manner.
- No windows or doors will be opened or closed except by permission of the bus driver. Windows will not be allowed past the halfway mark. No objects are to be thrown out of bus windows.
- No student shall enter or leave the bus until it has come to a complete stop and the door has been opened by the bus driver.
- Squirt guns, water balloons, large portable radios, “jam boxes”, fireworks or any objects determined to be dangerous by the bus driver, will be prohibited on the school bus.
- No snow ball throwing will be allowed in the bus parking lot, bus stops nor will snowballs be allowed on the school buses.

9. It will be determined by individual bus drivers as to whether they will allow food, drink or gum to be consumed on their bus.
10. Students will not play music without the use of earphones, nor play music so loud that it is disturbing to those around them.
11. The bus driver has the right to assign a seat to any student.

As a result of violating the above rules, all NNSC bus drivers reserve the right to suspend a student rider by contacting the parent/guardian the day the incident occurred on the bus. The administration will also be made aware of this. It will be the parent/guardian's responsibility to have transportation for the suspended students. Suspension from transportation will not constitute an excused absence from school.

### **ARRIVAL OF BUSES IN THE MORNING**

The student should be waiting at his/her bus stop when the school bus arrives. In case of an emergency causing late arrival by the student at his/her bus stop, the school bus driver will be required to wait no longer than one (1) minute for the student. If a student is continually late arriving at his/her bus stop, the parents of the student will be contacted by the bus driver and/or the Director of Transportation. As a courtesy, we are asking those families having a school bus turn-around on their property to call the bus driver if their child/children will not be riding. This call should be made before the bus driver begins his/her bus route. Also, if there is a change in the student's bus schedule, we ask that the parent contact the bus driver. Notifying the bus driver of transportation changes will save time and fuel.

### **SCHOOL CLOSING OR DELAY IN START OF SCHOOL DAY**

If the North Newton School Corporation Schools should be closed due to bad weather, etc., the announcement will be made on the North Newton School Corporation website, NNSC notification/alert system Messenger, and the school's Facebook account and our notification/alert system as early in the day as possible. If the students have boarded the buses in the morning and school must be closed, the buses will return the students to their homes immediately.

\*\*There will not be an early release day if there is a 2-hr delay

### **ALL BUS PARKING LOTS**

If you must take your child off a bus in the afternoon, we ask that you do not drive into the designated bus parking area. Please park in the teacher/ visitor parking area and walk to the bus loading area. It is dangerous to have cars moving in and out of the bus parking area while students are boarding buses.

### **QUESTIONS CONCERNING TRANSPORTATION**

Questions concerning transportation should be directed to the Director of Transportation at (219)285-2160 x2010 or the Administration Office at (219)-285-2228 x2001.

### **GUIDELINES CONCERNING TRANSPORTATION**

Country students will be transported from their homes to school and back to their homes. Town students will be picked up and dropped off at designated bus stop areas in town.

In the case where a parent/guardian would like the student to ride home on a different bus route and an emergency does not exist, the parent/guardian must contact the Director of Transportation at (219)285-2160 x2010. We ask that you not request that several students ride a certain bus at the same time, as this may cause overloading.

Buses will not travel on any roads other than those that are assigned as the designated route.

In closing, school bus drivers are to have control of all students conveyed between the homes of the student and the school buildings and return. The bus driver shall keep order and maintain discipline among the students while in the bus or along the route. The bus driver shall treat all the students in a civil manner, see that no

student is imposed upon or mistreated while in his/her care, and shall use every care for the safety of the children under his/her care.

Through your cooperation and support, the North Newton School Corporation Schools will continue to provide one the finest and safest transportation systems in the state.

### **EMERGENCY SITUATION FOR BUS DROP-OFF/PICK-UP**

The North Newton School Corporation Bus Drivers have been instructed that they are not to pick up and/or drop off students at locations other than the students designated stop. Parents/Guardians can request a different drop-off/pick-up location for “EMERGENCY SITUATIONS ONLY”.

The building principals are the only school personnel who can authorize your student to be dropped-off and/or picked-up at a different location. Your request must be submitted to the main office by noon on the day of the request and be signed by an administrator. Forms are available in the Main Office.

### **OPERATION OF A MOTOR VEHICLE AND STUDENT PARKING**

#### **Driving to School**

All students with valid driver’s licenses and parent’s permission are eligible to drive to school. A \$8.00 fee will be collected, licenses checked and registration forms submitted. Applications for registration can be obtained in the Main Office. A numbered parking space will be issued along with the corresponding parking tag for the West parking lot. All students' cars parked on school property must have a current numbered North Newton High School parking tag displayed, and the vehicle should be parked in the assigned parking space. Once a student has been cited for not registering his/her vehicle, the parking fee will be increased to \$15. Registration will take place in the following manner: first come, first served. Non-registered vehicles will be cited and disciplinary action taken. Students may park in student parking areas only. Violators will lose parking privileges. Once a vehicle is parked in the morning, it is not to be visited or moved until the end of the student’s day without permission from the administration. This applies, but is not limited to, passing periods and lunch. Parking on school grounds is a privilege. Those who violate the rules and regulations are subject to detentions, suspensions and withdrawal of privileges. Parking in areas not designated for students may also result in a parking ticket (\$15) and/or towing of the vehicle.

#### **Rules and Regulations for NNHS Students with a School Parking Permit during School Hours**

1. All vehicles parked on the school grounds must be registered with the school; must display the current permit on the rear-view mirror; and must be parked in the assigned parking space.

4. All students must be licensed and covered by insurance. The school is not responsible for the automobile or its contents.
5. There is to be no loitering in the parking lot. Visitation of vehicles occurs only with permission from the administration only. The student must be escorted out to their vehicle during school hours.
6. There will be no speeding (15 mph on school grounds) or any form of reckless driving allowed on the school grounds.
7. Student vehicles may be subject to search if there is a reasonable suspicion to believe that drugs, alcohol, stolen property, or other contraband in violation of school rules might be present in a vehicle

## **VII. TECHNOLOGY**

The **Chromebook Responsible Use Policy** is intended to promote responsible use, and to protect students and the school from liability resulting from any misuse of the school-issued Chromebook. Technology, on or off campus, must be used in accordance with the mission and philosophy of North Newton School Corporation, as well as the Acceptable Use Policy for Technology as stated in the Student Handbook. Students and guardians are liable and financially responsible for any damage to a Chromebook, regardless of how the damage occurred.

Teachers may set additional requirements for use in their respective classes. The Chromebook remains the property of North Newton School Corporation at all times. Therefore, there is no assumption of privacy. North Newton School Corporation reserves the right to inspect student Chromebooks at any time during the school year. Misuse of the Chromebook may result in disciplinary action. Above all, the Chromebook program at North Newton is an academic program, and the policies governing the use of the Chromebook support its academic use. To maintain the integrity of the Chromebook program, all students and parents/guardians must agree to the following conditions of use:

## **1. CHROMEBOOK CARE**

Students are responsible for the general care of the Chromebook they have been issued by the school. Chromebooks that are broken or fail to work properly must be immediately reported to the school for an evaluation of the equipment.

### **General Care:**

- Keep the Chromebook in the district-issued case at all times. Failure to have it in a district issued case may result in a disciplinary action.
- Labels, stickers, or screen protectors placed on the Chromebook by the technology department will not be removed.
- Do not write on or place any labels or stickers on the Chromebook or district-issued case, or the device itself. Do not leave the Chromebook out in extreme heat or cold.
- Do not leave the Chromebook in a vehicle or place it on top of a vehicle.
- Keep food, drink, pets, etc. away from the Chromebook at all times.

### **Carrying your device:**

Though the protective case provided with the Chromebook has sufficient padding to protect the device from normal treatment, and provide a suitable means for carrying the device within the school, here are some things to consider:

- Never pile things on top of the Chromebook.
- Limit the number of items carried within a backpack with the Chromebook to limit the amount of pressure applied to the Chromebook screen.
- Try not to drop the Chromebook, as the screen is made of glass and could break.
- Avoid bumping the Chromebook against any surface.
- Use Chromebook on a flat surface, away from the edge of desks and tables.
- Do not leave the Chromebook unattended at any time including during class, extracurricular activities, lunch, locker room, etc.
- Do not lend the Chromebook to a classmate, friend, or family member.

### **Screen Care:**

- Avoid touching the screen with pens/pencils. Use an appropriate stylus.
- Clean the Chromebook screen with a soft, dry, anti-static cloth.
- Use of harsh chemicals WILL damage the screen.
- If absolutely necessary, use a screen cleaner designed specifically for LCD type screens.

## **2. USING YOUR CHROMEBOOK AT SCHOOL**

Chromebooks are intended for use at school each day. Students must be responsible to bring their Chromebook to all classes, unless specifically instructed not to do so by their teacher.

### **Power Management**

- Chromebooks must be brought to school each day in a fully charged condition. Students need to charge their Chromebooks each evening. Only charge your Chromebook with the provided charger.
- Users with no battery life may bring the Chromebook to the Media Center for charging. Abuse of this privilege will result in a possible consequence.
- Students will be allowed a loaner Chromebook while their Chromebook is charging. If the student repeatedly (2 or more times) comes with their Chromebook uncharged, they will lose this privilege, and will not have access to a loaner Chromebook. They must then wait until theirs is fully charged.
- Students should NOT bring their chargers from home, as this will increase the likelihood of losing equipment.

### **Chromebooks Left at Home:**

- If students leave their Chromebook at home, they are responsible for getting the course work completed as if they had their Chromebook present. If a student repeatedly (three or more times, or as determined by any staff member) leaves their Chromebook at home, they will be required to “check out” their Chromebook from the office for three (3) weeks.

### **Chromebook Repairs:**

- A loaner Chromebook will be issued to students when they leave their Chromebook for repair.
- All repairs will be completed by North Newton Technology Department, or our approved external vendor. Third party repairs are not allowed. Students and guardians are liable and financially responsible for any damage to a Chromebook, regardless of how the damage occurred.

## **3. USING YOUR CHROMEBOOK AT HOME**

### **Home-Internet Access:**

- Student are allowed to set up wireless networks on the Chromebooks. This will assist them with Chromebook use while at home.
- DO NOT sync your school issued Chromebook with a home computer. Only use the Google Email Account set up by your school for your school account.

### **Acceptable Use Policy:**

- Though allowed for home use, the Chromebook issued to the student is property of North Newton School Corporation.
- The student must adhere to the same Acceptable Use Policies set by the corporation for home usage as well.

## **4. SAVING YOUR WORK AND PRINTING**

### **Saving Your Work:**

- Students will save their work through Google Drive. This can be accessed on district computers as well.
- It is the student’s responsibility to ensure that work is not lost due to mechanical failure or accidental deletion.

### **Printing:**

- Students will be able to print directly from their Chromebook at school. Printing may also be done on a computer through Google Drive.

## 5. SOFTWARE/APPS ON CHROMEBOOKS

- Originally Installed Software: The software/apps originally installed by NNSC must remain on the Chromebook, in usable condition, and be easily accessible at all times.
- Additional Software/Apps: From time to time the school may add software applications for use in a particular course.
- Software Upgrades: Upgrade versions of licensed software/apps are available from time to time. Students will be required to initiate these updates.

## 6. EMAIL FOR STUDENTS

- All students will receive an individual email account. With these email accounts, students will have access to Google Apps for Education, which include productivity and management tools such as email, Google Drive, Google Calendar, and much more.
- All Chromebooks will be set up with the school email account so students can quickly and easily send messages and schoolwork to teachers. This setup will happen during orientation, and the email account is required to remain on the Chromebooks through the course of the school year.

## 7. GUIDELINES AND REMINDERS:

- School email accounts should be used for educational use only.
- Students should only have their school email account set up on their Chromebook.
- No personal email accounts should be set up on the Chromebook.
- ALL communication from students to teachers must be on their school issued email account. Personal accounts are not an acceptable means of communication with teachers.
- Email transmissions at school are subject to inspection by teachers and/or administrators if deemed necessary.
- All email and contents are property of North Newton School Corporation.
- Only the authorized user of the account should access, send, and/or receive emails for the account.
- Passwords should be protected and never shared with other students.

## **RULES AND REGULATIONS**

Each of the following provisions of this policy for the use of computer facilities, equipment, and software, belonging to the North Newton School Corporation, applies to all school employees, all students, and any member of the community at large using said facilities, equipment, or software.

1. Everyone using corporation facilities and equipment is expected to adhere to the provisions of Public Law 96-517, Section 7(b) with regard to copyrighted software.
2. No one may use unauthorized copies of any software or computer equipment belonging to the North Newton School Corporation.
3. No one may enter, use, alter or tamper with computer files or configurations to include software or screen savers belonging to another person or the school without the express permission of the owner of the files and the teacher in charge.
4. You are responsible for your own screen. When you are moving away from the screen, you must secure it from tampering by others.
5. Theft of, or willful/irresponsible damaging of any computer facilities, equipment, or software belonging to the school corporation is not permitted.
6. No unauthorized person may use equipment, software, security, passwords, or access codes belonging to the school to access or attempt to access data files, a network or data systems from either local or in remote locations.
7. Anyone witnessing the violation of any of the above provisions is expected to report the violation to the teacher in charge at the time of the violation or to the appropriate administrator.

## **PENALTIES**

1. If a student violates any provisions of the school policy, the student:
  - will be denied access to all corporation networked facilities, equipment, and software for the rest of the school year, or one semester whichever is longer. Therefore, when class assignments require the use of the NNSC computer equipment and/or software, the STUDENT must make arrangements with the instructor for alternative assignments that do not allow networked computer use.
  - will be removed from the class in which the violation occurs with a grade of “WF” if the majority of the assignments are centered around the computer.
  - may also be suspended from school for a period of time, at the discretion of the appropriate administrator. And will be subject to legal prosecution if the offense so warrants.
2. If a student violates any provision of this policy a second time, the student will be denied access to all corporation networked computer facilities for the remainder of his or her school career.
3. If an employee of the corporation or a member of the community at large violates any provisions of the school policy, that person will be denied access to all computer facilities, equipment and software belonging to the corporation for an appropriate time period.

## **USE OF THE INTERNET**

Connection to the Internet at North Newton School Corporation facilities is intended for educational research and other specific assignments made by faculty members. Any student using the Internet in a manner obviously inappropriate for school will face the same penalties assessed for other violations.

## **USER RESPONSIBILITIES**

A student, school employee, or member of the community at large using corporation computers will:

1. Adhere to the school's computer policy without deviation or exception.
2. Refrain from bringing unauthorized software or disks into the school building.
3. Use only equipment, software, data files, and access codes assigned to him or her.
4. Refrain from bringing food, drinks, or chewing gum around the corporation computer equipment.
5. Report any equipment damage or problems using equipment or software to the teacher in charge and make no attempt to "fix" it.

## **PRIVACY**

District-issued devices are the property of North Newton School Corporation; therefore, the district may examine the devices and search their contents at any time for any reason. Neither students nor parent/guardians have any right to privacy of any data saved on the device or in a cloud-based account to which the device connects. The school administration may involve law enforcement, if it is possible the device may have been used for an illegal purpose.

## **VIII. GENERAL INFORMATION**

It is the policy of the North Newton School Board of Trustees that age-appropriate student codes of conduct designed to improve the student learning environment will comply with state law. Each code of conduct shall include the following:

1. Standards for student behavior designed to create the expectation that students will behave themselves in such a way so as to facilitate a learning environment for themselves and other students. The standards should be designed also to encourage students to respect each other and school employees, to motivate students to obey student behavior policies adopted by this board and to obey student behavior rules established within the school corporation;
2. Student support processes designed to consider, as appropriate in light of the severity of the behavioral problem, support services available at each school, the school corporation and other public entities or community organizations which may assist students to address behavioral problems;
3. Progressive discipline processes designed to create the expectation that the degree of discipline imposed by the school will be in proportion to the severity of the behavior of a particular student, the previous discipline history of the student and other relevant factors, while ensuring that each student receives the due process mandated by federal and state law;
4. Parental involvement processes designed to enable parents, guardians, teachers and school administrators to work together to improve and enhance student behavior and academic performance. The process should enable parents, guardians and school employees to communicate freely their concerns about student behaviors which detract from the learning environment.

Each code shall require disciplinary action for each infraction of the code. All student codes of conduct shall be submitted to the board for approval.

The student code of conduct shall be distributed to each student and the student's parents or guardians prior to the first week of school and upon enrollment of each new student. The parents may be requested to sign an acknowledgment of the receipt of the code of conduct and return promptly the acknowledgment to the school. The student code of conduct shall be available in each school office and every classroom.

## **Announcements**

Announcements will be read daily. Students who have announcements regarding school matters should write them out completely on the office form for announcement, get approval from a sponsor, and turn them in to Student Services.

## **Cafeteria**

The cafeteria offers well balanced meals at reasonable prices. Students may choose from three (3) serving lines at lunch: a standard plate lunch (Type A) is offered at two (2) lines at a fixed price daily.

The following are regulations for use of the cafeteria:

1. Food and beverages may not be taken from the cafeteria at any time.
2. Students will be expected to remove their trays and dishes from tables after eating and take them to the dish conveyor belt. Remove all paper, milk cartons, etc., and place in the waste containers provided.
3. The soft drink and snack machines will not be in use during lunch periods.
4. Students who bring lunches from home are to eat only in the cafeteria.
5. To prevent damage, students are not to sit on table tops.
6. Students are to wait their turn to be served in the lunch lines.

## **Contracts and Obligations**

Students may not make commitments with anyone or any organization which are binding on the school, its clubs, or organizations. A sponsor or other delegated school authority must make these arrangements and have them approved by the Principal.

## **Custodial Services**

Our building custodians take pride in keeping the building clean and well maintained for students and teachers. Please afford these persons the courtesy they deserve. Help them in their efforts to keep our building clean by disposing of all waste items in the containers provided and by refraining from writing on desks, etc.

## **Excursions or Field Trips**

Any student going on a trip must have the permission of the teacher accompanying the group, that of the Principal, and the written permission of a parent/guardian. Parent/guardian permission shall be secured on a trip-to-trip basis.

## **Financial Obligations**

Administration reserves the right to deny participation in all athletic, extra-curricular or academic competitions as well if fees accrued by the student are not paid or on a satisfactory repayment plan set up with the treasurer. This policy does not include book rental or other fees assessed by the school as a matter of attendance, but is limited to fees assessed as a result of damage to or loss of school property.

## **Fire Drills and Disaster Plans**

Drills will be held in accordance with state and local regulations. Students are expected to leave the building quickly and in an orderly manner as explained by the teacher during fire drills. Students will be directed to specific areas of safety during disaster drills.

## **Harassment Policy**

1. It is the policy of the North Newton School Corporation to maintain a learning and working environment that is free from harassment.

2. It shall be a violation of this policy for any employee of the North Newton School Corporation to harass another employee or student through conduct or communications of a harassing nature. It shall also be a violation of this policy for students to harass other students or employees through conduct or communications of a harassing nature. The use of the term “employee” also includes non- employees and volunteers who work subject to the control of school authorities.

### **Health Service**

Students who need medical attention should report to the health service area to be assisted by the nurse. Students are to report to class and obtain a pass from the teacher before reporting to the nurse unless the need is an emergency. Students do not need passes before school, during lunch periods, or after school. Students will not be released from school for health reasons until a parent has been contacted and permission has been obtained for the student to leave or arrangements made to pick them up.

### **When to Keep a Child Home with Illness**

It can be hard to know when to send children to school if they tell you that they do not feel well. Usually, the best place for them is in school, but there are some times when keeping them home to rest or call for an appointment with your health care provider is recommended.

### **Please keep your child home and/or contact your child’s doctor for:**

- Fever equal or greater than 100°
- Vomiting and/or diarrhea within the last 24 hours.
- Severe sore throat. Or after exposure to someone with Strep throat infection.
- Large amounts of mucous (liquid) from their nose, with face pain or headache.
- Severe ear pain or fluid coming from the ear.
- Severe headache.
- Rash: If student has severe itching or fever. If the rash has open and/or draining areas.
- Cough/Runny Nose: If symptoms are severe. If student is unable to cover mouth when coughing and/or unable to blow nose/wash hands.

If your child has a fever, it is not a good idea to give them medicine like Tylenol or Advil and send them to school because as soon as the medicine wears off, the fever may return and you will be called to come and pick up your child.

**\*\*\*STUDENT MUST BE FREE FROM FEVER, VOMITING and DIARRHEA FOR 24 HOURS WITHOUT MEDICATION BEFORE RETURNING TO SCHOOL\*\*\***

**Strep Throat: Student must complete 24 hours of antibiotics before returning to school.**

Please call the school nurse, Crystal Vanderlaan, with any concerns or questions. 219-285-2252

### **Home School Policy**

Students transferring to North Newton Jr./Sr. High School from home schools and/or private schools are subject to the same procedures required of students transferring to North Newton Jr./Sr. High School from other public and private schools.

**IHSAA Requirement** – IHSAA Ruler 12-5 allows homeschoolers to participate at the public member school serving their legal residence. The IHSAA criteria include:

- The student, in conjunction with the school, provides proof to the IHSAA that the spirit of the eligibility rules will not be compromised including passing a physical examination and participating in the required number of practices in a given sport.
- The student must have been home schooled for the previous three consecutive years.
- The student completes all state-wide examinations as authorized by the Indiana Department of Education.
- The student’s family must submit grade information to the school to affirm the student is passing all courses.
- The student must be enrolled in the school for which the student is participating for a minimum of one class per day.

### **Immunizations**

Whenever a student enrolls in North Newton Jr./Sr. High School, the parents shall furnish a written statement of the student’s immunization, accompanied by a physician’s certificate or other documentation, and testing history, unless such a written statement and accompanying documents are currently on file with the corporation. This requirement can be enforced by suspension, expulsion, or exclusion.

### **Lockers**

Students are assigned a hallway locker with a combination lock at the beginning of the school year. It is the student’s responsibility to keep the locker locked and in good order by having waste material thrown out and storing only school materials in the locker. The hallway, athletic and physical education lockers are the property of North Newton Jr./Sr. High School and are subject to inspection by authorized school personnel. All hallway locker problems should be reported to the Student Services. **The school is not responsible for lost or stolen items.** Each student is responsible for the contents of his/her assigned locker. Students are reminded that “presetting” their locker combination makes the contents of their lockers accessible to all.

Students are discouraged from sharing lockers and placing their possessions in any locker other than their own. Students who experience difficulty with a locker and need repairs should secure an appropriate pass to the office.

### **Locker Rooms and P.E. Lockers**

1. **The school is not responsible for any loss of money or personal belongings from the locker rooms. Locks are provided for physical education lockers. It is your responsibility to see that your belongings are locked up at all times.**
2. Students will be required to pay for locks lost through negligence.
3. For your own security, you should not give your combination to anyone.
4. To protect the finish on the gym floor, enter the locker room only through the cafeteria.

### **“Lost” And “Found”**

The “Lost and Found” area is located in the hallway outside of the Main Office. Students who have misplaced something should check with the clerical personnel on a regular basis. Students are encouraged to return “found” articles to the Main Office or Student Services. To a great extent, all public schools operate on the honor system.

### **Media Center**

The Media Center is available to students from 7:45 am until 2:00 pm. Passes are required to use the library during class time. The passes are given by classroom teachers or the librarian. The Media Center maintains a collection of fiction, non-fiction materials and audio-visual equipment. Students are encouraged to return check-out materials at the time they are due. They may be checked out for an extended period of time, if in the opinion

of the librarian, it is a necessity and not hindering other students from using the materials. If materials are not returned promptly, it may be deemed that the book is lost and an assessment will be made to replace the material. Damaged materials will be replaced at cost and charged to the student.

### **Medical Treatments**

Indiana State Law does not allow school personnel to dispense any medication for student use; however, students may bring their own medications to school with parent or guardian approval. These medications shall be registered with the nurse or the secretary in the Administrative Office. **Any North Newton student found in possession of non-registered medication will be subject to disciplinary action** under Student Handbook rule eight (8) "Drugs and Alcohol". Emergency first aid may be administered by the school nurse or other school personnel as necessary.

### **MEDICATIONS AT SCHOOL (ADMINISTRATION)**

- **Storage of medication at school:** All medication shall be brought to the Pat Anderson Student Services Office. Students are not to possess any medication at school, except as provided by state law. Cough drops may be kept in the classroom with administrative authorization.
- **Consent of student's parent/legal guardian:** No medication, either prescription or nonprescription, shall be administered to a student without the written and dated consent of the student's parent/legal guardian. The consent of the parent/legal guardian shall be valid only for the period specified on the consent form and in no case longer than the current school year.
- **Nonprescription medicine:** All nonprescription medicine to be administered to a student must be accompanied by a statement from the student's parent/legal guardian describing the medicine, the dosage, and the time for it to be administered to the student. Nonprescription medication shall be in its original bottle/container stating the proper dosage for the student's age and weight. Nonprescription medicine will be administered in accordance with the parent/legal guardian statement. If the parent/legal guardian statement requests a different dosage than what is described on the original bottle/container for the student's age and or weight, then the different dosage amount will only be administered to the student with the signed and dated authorization of the student's physician. The student's parent/legal guardian must complete the North Newton School Corporation Medication Form prior to the student being allowed to take the nonprescription medicine at school.
- **Prescription medicine:** All prescription medicine, including medicine that is injected and all blood glucose test by finger prick to be administered to a student must be accompanied by a physician's prescription, a copy of the original prescription or the pharmacy label. If the medication is to be terminated prior to the date on the prescription, the written and dated consent or withdrawal of consent of the parent/legal guardian is required. The written and dated consent of the parent/legal guardian and the written order of the physician shall be kept on file. Prescription medication shall be administered in accordance with the physician's order. The student's parent/legal guardian and the physician must complete the North Newton School Corporation Medication Form prior to the student being allowed to take the prescription medicine at school.

### **Messages for Students**

Due to the large number of students that we have and a limited number of clerical personnel, the school will not accept or deliver messages to students except in case of an emergency. Telephone messages resulting in a notification of students can be very disruptive and should be handled at a time other than during the school day.

### **Military Opt Out Form**

According to the Education Reform Bill, all public schools are required to release directory information to military recruiters. The recruiters request a list of the current juniors and seniors, their addresses and phone

numbers. If you wish to have your student removed from this military contact list, please contact Student Services and request a Military Opt out Form.

### **Passes**

Students must have a pass from a staff member or be accompanied by a staff member to be in the halls during class time. A pass shall be used only for the destination listed on it. Passes to go to an area should be secured in advance (before school or between class periods) from the teachers who will be receiving the student. Any student who abuses the pass policy will be placed on a “No Fly List” for the remainder of the semester.

### **Retention Policy**

Any student in Junior High (7th or 8th grade) who fails two or more core classes in the first semester and two or more core classes in the second semester may be retained in junior high school. Core classes are: Language Arts, Math, Social Studies, Science, and Reading.

### **Student Deliveries**

Deliveries of personal greetings for birthdays and other special events will be allowed to the office only. Students are not allowed to order food to be delivered to the school.

### **Student Identification**

All students at North Newton Jr./Sr. High School will be provided with a student identification card. The student must have this ID card on his/her person while attending school or any school-related activities. The ID card is used for a variety of purposes at North Newton Jr./Sr. High School, including checking out items from the Library, field trips, athletic activities, dances, and parking permits. Lost or damaged ID cards must be replaced immediately at a cost of five dollars (\$5.00) to the student.

### **Student Schedule Changes**

Schedule changes will be made at the discretion of school administrators or counselors. Any student wishing to make a schedule change should make an appointment to see the appropriate counselor. The guidance counselor will reply to arrange an appointment within 48 hours.

### **Student Visitors**

North Newton Jr./Sr. High School does not permit student visitors during school hours. Younger brothers and sisters or small children are not to be brought to school unless bringing them is related to class work and approval of teacher and principal has been obtained prior to class.

### **Student Injuries**

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school. The school district does not provide medical insurance when students are injured at school. This is the responsibility of the parents or legal guardians. Available through the State of Indiana is a health insurance program called Hoosier Healthwise for Children. The eligibility depends on the number of family members and the family income. Informational pamphlets on Hoosier Healthwise are available in the school office.

### **Telephone Use**

Office telephones are for school business. Students will be called out of class for incoming emergency calls only. Students placing long distance calls must use calling cards or call collect. The office telephone will be made available to students when there has been a change in the regular practice or game schedule.

## **IX. ACADEMIC INFORMATION & COUNSELING SERVICES**

### **Academic Honesty**

North Newton values academic integrity and expects exemplary conduct from all students. Dishonesty is not tolerated in connection with any school activity at North Newton and should never be considered an acceptable path to success. Academic dishonesty not only diminishes the quality of a student's education, it does not prepare them to be leaders and role models in our community.

Students, parents, faculty and staff all share the responsibility of developing and maintaining high academic standards. Work submitted by students should reflect their individual understanding and ability.

The use of electronic devices such as: cell phones, apps, artificial intelligence (AI) websites, etc. on school assignments, projects, and exams is prohibited and against the academic integrity standards of the school. Students are expected to use these tools as means of enhancing their learning and academic performance, rather as a means of cheating or circumventing the academic process.

### **EXAMPLES OF ACADEMIC DISHONESTY**

- Having someone else write a paper and submitting it as one's own work.
- Giving or receiving answers during an exam by use of signals, cheat sheets, or copying.
- Obtaining an unauthorized copy of a test prior to its scheduled administration.
- Using unauthorized notes during an exam.
- Doing class assignments for someone else.
- Plagiarizing compositions, class assignments, or lab reports.
- Padding items of a bibliography (including sources that were not used).
- Collaborating with other students on assignments when it is not allowed.
- Altering answers on a scored test and submitting it for a re-grade.
- Accessing and altering grade records.
- Stealing class assignments from other students and submitting them as one's own.
- Destroying or stealing the work of other students.

### **AVOIDING CLAIMS OF DISHONESTY**

- Do not look around, particularly in the direction of other students' papers, during an exam since it may appear you are trying to copy from others.
- When taking an exam, shield your answers from other's view.
- Make sure all notes and materials are placed out of view.
- Do not share your work with other students or collaborate on an assignment when collaboration is not allowed.
- Protect your computer login and passwords so others cannot access your work illegally.
- Do not acquire or share previous papers, lab reports, or assignments from a class with the intention of copying the material; keep copies of your own papers so others cannot attempt to claim them as their own.
- Do not write on a graded exam that may be submitted for a re-grade.

**Plagiarism** is a specific example of academic dishonesty. It can be defined as, “submitting someone else’s text as one’s own or attempting to blur the line between one’s own ideas or words and those borrowed from another source” (Council of Writing Program Administrators, wpacouncil.org).

## **AVOIDING PLAGIARISM**

- Do not use someone else’s words without referencing the source to give credit to the author, placing exact wording in quotation marks or a block quote.
- Do not present someone’s unique ideas or sequence of thoughts as one’s own without crediting a source.
- Do not submit, as your own material, text written by someone else.

## **CONSEQUENCES FOR ACADEMIC DISHONESTY**

- First offense, the student will receive a zero on the assignment, the teacher is required to notify the administration via log entry so a total number of incidents can be recorded, and parents will be contacted.
- Second offense in the same class will result in an “F” for the 9 weeks and 1 day ACS with a mandatory counseling session on the gravity of their actions.
- The third offense for that class results in an “F” for the semester and 3 days OSS.
- If a student is dishonest in differing classes, the second incident will receive the in-class penalties of a “first incident” but will also result in the day of ACS and counseling.
- Subsequent incidents may result in expulsion.
- Refer to Behavior Discipline Regulations Chart.

## **Academic/Athletic Ineligibility**

For any student to be declared eligible for extra-curricular activities (clubs, athletics and ANY dances) students should not have more than one “F” or “W/Fs” and must be passing a minimum of 5 credit hours. Students with non-traditional schedules will not be subject to the minimum requirement of 5 credit hours to attend dances. They should; however, maintain a passing grade in the classes in which they are enrolled. Administration will review these on a case by case basis. Guest pass approval forms from other schools will not be granted/signed by school administrators if a student is deemed ineligible. If any student has had significant absences 5-7 and/or received an attendance letter, or student is absent the day of the event, they will be ineligible to attend the event.

## **Academic Probation**

Academics are a high priority at North Newton Jr./Sr. High School. Any student who has more than (1) “F or W/F’s” on a report card or is not passing 5 courses will be ineligible until the next nine (9) week report card is issued. The Mid-Term grades are an indicator for whether the student needs to improve their grades to become eligible and will no longer be used in evaluating grades.

- Semester grades take precedence over nine weeks grades. Eligibility will carry over from spring semester to fall semester except for 8th graders entering into 9th grade.
- Choir and Band students would still be expected to perform in concerts and contests, as these are requirements for class. Other extra-curricular groups such as Drama, Science Olympiad, Dance, FFA, FCCLA, BPA, etc., would all be expected to maintain the same level of academic achievement as stated in the previous paragraph.

## **Certificate of Completion**

Pursuant to 511 IAC 7-13-3, this document may be awarded to a special education student who is not capable of earning a diploma but who completes the public-school educational program prescribed in the student’s IEP.

Students who are pursuing a Certificate of Completion will not be included in the top 10% recognition of their class.

### **Class Load**

Students should be enrolled in a minimum class load of six (6) subjects per semester allowing a student to take one study hall. If a student is involved in a double blocked class then the minimum is five (5) subjects. With the wide variety of course offerings, students are encouraged to avail themselves of the opportunity to study in many areas. **All students must pass a minimum of 5 credited classes to maintain eligibility in extra-curricular activities.**

### **College Level Courses**

North Newton students may enroll in college courses at an accredited college with the approval of the counselor and the college admissions department. Each student who intends to enroll in a college course shall notify the counselor. The student and parents are responsible for applying to the college. The parent and student must sign an agreement to these requirements. The colleges may require a social security number in order to enroll in dual credit courses. It is the responsibility of the student and parent to make certain all dual credit enrollment information is provided and paperwork completed to receive these credits. The school guidance department will assist students who need help in completing the registration.

Students taking dual credit Ivy Tech courses at North Newton will not receive weighted grades for these courses.

If a student fails the college course, the student will receive an F on the high school transcript which will be calculated in the student's grade point average. If a student fails to complete a college course by the end of North Newton's semester, the student will receive an incomplete until the grade is received. A grade point average will not be calculated and a class rank will not be determined until the grade is received. A senior with an incomplete at the end of the 8th semester will not be considered for the top 10%, valedictorian, or salutatorian. All North Newton graduation requirements must be met in order for a student to participate in the graduation ceremony.

If a student does not finish a college course and drops it due to poor academic performance or difficulty of the course, the student will receive an F on the high school transcript if the drop is after the first two weeks of a semester.

### **College Days**

Junior and Senior students who wish to get an excused absence for college visitation will complete an application with the Guidance Director. Several areas will be evaluated to determine if such excused absence will be granted. The attendance, grades, and behavior record of the student will be considered. Approval or denial will be given in writing with reason(s) for a denial being listed. Juniors will be limited to one college day for the school year, and a parent must accompany them. Seniors will be limited to two college days for the school year. College days may not be taken during the last two weeks of the semester and **not after May 1**. Colleges offer visitation days on weekends and have organized events for the high school student and their parents. Students are encouraged to visit the colleges on these weekend days. **College days will count as an excused absence, and will be included in the (5) day limit.**

### **Commencement**

Participation in Commencement is a privilege, not a right, and can be denied by the Principal. Students must complete all graduation requirements to march with the class and participate in the Commencement Program. Online course grades supporting graduation requirements are due the first school day in May or at the Principals

discretion. A grade point average will not be calculated and a class rank will not be determined until the grade is received. A senior with an incomplete at the end of the 8th semester will not be considered for the top 10%, valedictorian, or salutatorian. All North Newton graduation requirements must be met in order for a student to participate in the graduation ceremony. Members of the graduating class are expected to participate in Commencement Exercises. Waiver of this obligation will be for extreme emergencies and requires the consent of the Principal.

### Grading and Grade Point Average

Based on the rationale that more work should receive additional rewards and that additional rewards/incentives lead to increased student performance; the following guidelines are used in computing GPA. Weighted courses receive an additional .67 each semester with a grade of C- or better.

#### Standard GPA Points

A+ = 4.00	B+ = 3.33	C+ = 2.33	D+ = 1.33	F = 0.00
A = 4.00	B = 3.00	C = 2.00	D = 1.00	
A- = 3.67	B- = 2.67	C- = 1.67	D- = 0.67	

#### Weighted GPA Points

A+ = 4.67	B+ = 4.00	C+ = 3.00
A = 4.67	B = 3.67	C = 2.67
A- = 4.34	B- = 3.34	C- = 2.34

A semester grade will be the average of the two 9 week's grades and the semester final. The 9 weeks grade for each course will be 45% of the semester average. The semester final will be 10% of the semester grade. (45%+45%+10% = semester grade and 40%+40%+20 for AP and weighted classes). Grading scales and weights may be subject to the partnering institution's requirements in the case of dual credit classes.

### Grading Scale

A+ = 100	B+ = 87	C+ = 77	D+ = 67	F = 59 and below
A = 94	B = 83	C = 73	D = 63	
A- = 90	B- = 80	C- = 70	D- = 60	

### Grade Reports

Each semester is divided into two (2) nine (9) week grading periods. Grades are distributed to students approximately one (1) week following the end of each grading period. Grade cards will be mailed at the end of the second semester.

### Guided Direction of Electives

It is the philosophy of North Newton Jr./Sr. High School to provide students with a rigorous curriculum commensurate to the interests, abilities and long-term goals of the student. As such, students will be encouraged to take courses that will prepare them adequately for the SAT, ACT and other college entrance examinations. As the state of Indiana progresses toward instituting a minimum SAT score for honors and Core 40 diploma, it is imperative that students seek out the most challenging courses possible.

While student input is valued in the scheduling process, students seeking Honors and Core 40 diplomas must take courses reflective of the rigor expected in college. This includes available dual credit and high-level opportunities.

## **Honors Class Placement**

In the interest of providing appropriate and challenging instruction to all students, North Newton offers honors classes in some subjects and grade levels.

Honors placement is determined by:

- NWEA scores (Performance in the 80<sup>th</sup> percentile or above is expected for placement in honors.)
- Teacher Recommendation
- Course grades (B- or higher)
- Positive Academic Habits and Attitude

\*If a student earns lower than a B- after Semester 1, then they could be removed from that class and enrolled in a class that is a better fit, which could impact their entire schedule.

Note: These requirements apply only to classes designated “honors.” AP and Dual Credit opportunities are open to all students who complete the prerequisites for enrolling in the course.

## **Honor Roll**

There are two honor rolls that recognize student achievement: An “A/B” Average Honor roll for students with no grade below a B-, and a “Distinguished Honor Roll” for students with no grades below an A-. All grades are counted on computing the Honor Roll.

## **Incomplete Grades**

A student will be given an “I” for incomplete if extended illness or some reason beyond the student’s control prevents him/her from completing work on time. A student will be given no longer than one (1) day for each day absent to make up work. The MAXIMUM limit will be two weeks after which the “I” will become an “F”. This guideline may be altered at the discretion of the Principal if the absenteeism is excessive or if it appears unreasonable for the student to complete all of the work missed within a reasonable amount of time.

### **PROCEDURE:**

The teacher will communicate with the student before the end of the grading period to inform him / her of:

1. What is expected in order to meet the grading requirements.
2. The date the “I” is to be completed.

The teacher will report the final grade to the Registrar for processing. The student has the responsibility to communicate with the teacher to determine what work is expected of him/her and the date it is due.

## **Student Assistance**

There are programs available for students who require assistance to attend North Newton Jr./Sr. High School. The student or parent may request appropriate forms at any time of registration.

- *Rental textbooks and fees* — Students who cannot pay the charges assessed for materials needed in class will not be deprived usage of such if the appropriate form is completed and the family qualifies.
- *Lunch* — Students who do not have the money for lunch are encouraged to have their parent/guardian complete the appropriate form and return it to the Main Office or Cafeteria. Every effort will be made to retain the anonymity of the student.

## **Withdraw/Fail Policy and Schedule Changes**

### **Voluntary Student Withdrawal from a Class**

A student may request a change to his or her schedule by contacting his or her counselor after the first 5 days of a semester. Changes to student schedules will be contingent upon the following:

1. There is a demonstrated need for the change:
  - a. The student has changed diploma/career pathways and requires a different elective course.

- b. The student has struggled with prerequisites for a course and both the teacher and student do not feel continuing on is in the best interest of the student.
  - c. Medical or other factors that would prevent the student from completing the requirements of the course.
  - d. Exceptional circumstances presented to and approved by the principal.
2. An acceptable academic alternative is available.
  3. The change does not cause the course to fall below minimum enrollment.

**Note:** All voluntary changes to a schedule are subject to review and approval by the Director of Guidance and the building principal.

### **Withdraw/Fail**

After the first 5 days of a semester a student may be withdrawn and assigned a grade of W/F for the following reasons:

1. Student voluntarily seeks to withdraw from an elective course (not required or needed for graduation).
2. Student has a history of truancy, excessive tardiness, or other attendance issues that will prevent him / her from passing the course.
3. Student exhibits a pervasive pattern of disruptive behavior that substantially interferes with a teacher's ability to conduct class.
4. Student exhibits a pervasive pattern of non-participation in classroom activities (class-work/homework/activities/tests) that will result in a failing grade whether or not the student remains in the course and there is no academic benefit for the student to remain in the course.
5. As an alternative to expulsion for offenses related to gross disrespect to staff, threats made against the teacher, or other such issues, a student may be assigned a W/F and placed into study hall.

### **Counselor or Administration-Initiated Withdraw/Fail**

A teacher may request a student be withdrawn from his or her class and assign a grade of W/F. Such a request must be made in writing to the building principal detailing the following:

1. Why the teacher wishes to have the student withdrawn.
2. Why it is not feasible for the student to remain in the class.
3. Appropriate documentation/evidence to indicate a pattern of pervasive behavioral, attendance, or academic issues in the classroom.

If the principal agrees with the teacher recommendation, the student's parents or guardians will be notified and the student will be given a hearing at which he or she may choose to defend his or her right to remain in the class, enter into a "Last Chance" contract with the teacher, or agree to be withdrawn and assigned a grade of W/F.

A "Last Chance" contract may be drawn up if the student chooses to remain in the course against the teacher recommendation for withdrawal. The contract will identify behaviors or issues that have prevented the student from being successful, operationally define these behaviors or issues and state that any further instances will result in an automatic W/F process being implemented. This document will waive all future rights a student may have to a hearing.

### **Student-Initiated Withdraw / Fail**

After the first 5 days of a semester, a student may request to be withdrawn from a course and assigned a grade of W/F by notifying his or her guidance counselor and requesting a W/F form. This form will need to be signed by the student, parent or guardian, teacher, counselor and building principal before the student will be withdrawn from the class. The building principal reserves the right to refuse to permit any student to voluntarily withdraw from a class.

### **Withdraw/No grade Issued**

After the first 5 days of the semester, a student may request to be withdrawn and receive no grade other than “W” which will not count against his or her GPA. This will be permitted only in extreme circumstances that include, but are not limited to, the following:

1. Medical conditions, trauma, or loss that result in long-term absence from courses that are experiential or laboratory based.
2. Extraordinary circumstances not otherwise accounted for in the W/F policy.
3. The well-being of the student is adversely affected by the course.

Process:

To request a W as opposed to a W/F, the student must:

1. Produce substantial evidence to support his or her need to be withdrawn.
2. Receive the approval of the principal.

**Note:** The withdrawal of a student without receiving a failing grade is a highly unusual situation. When a student enrolls in a course, the expectation is that he or she embraces the challenge of the course and sees it through to the end. However, no one can foresee and account for every scenario. This provision is included solely to address highly irregular or unusual circumstances.

## **Guidance and Graduation Requirements**

### **Counseling Services**

The counselors are located in Student Services Center across from the Main Office. Guidance Services help students with social, educational, vocational, and personal development. The counselors maintain contact with and have information about colleges, vocational schools, industry, and military services to aid students in making career choices. Students and families can contact the counselor by phone or email.

**Mid-Year Graduates** - Any student who wishes to graduate from North Newton Jr./Sr. High School after completing seven semesters must meet the following requirements: 1. Meet the 3<sup>rd</sup> Postsecondary Ready Competencies of graduation pathways to ensure that their supporting documentation is turned into Student Services before the end of their last semester. 2. A student needs to have passed all required courses through their junior year and have at least 33 credits by the end of their junior year. 3. The IHSAA code states that a student who graduates at the end of the 7th semester **cannot** participate in a winter sport the spring semester. 4. A student must write a letter stating the reason(s) why they wish to graduate a semester early and submit their letter to the principal by the last student day of their junior year and must attend a meeting with the administration to discuss their letter and to evaluate their academic, attendance, and behavior records.

The students will be ranked through the end of their 7th semester and listed as a member of their senior graduating class. They may participate in the June graduation ceremony with their class. The North Newton School Board has to approve all early graduation requests.

+ Mid-year graduates are allowed to attend prom.

++ Mid-year graduates are no longer students at North Newton Jr/Sr High School after the 1st Semester.

**Note:** As Graduation Requirements evolve, North Newton School Corporation reserves the right to amend early graduation expectations as the state makes changes throughout the year related to Graduation Pathways.

## **E-learning**

When school is canceled due to any reason, such as inclement weather, electrical outages or pre-approved e-Learning days, students need to adhere to the following procedures. Students need to check in with their Spartan Time teacher for attendance. This should be done the day school is canceled. Students then need to log onto their teacher's class or the Google doc form and complete their assignments. Students should complete the assignments the day they are assigned, but will be given two days to make the work up, if needed.

## **Explanation of Credits**

- (1) A student earning a D- or above for each period will earn one (1.0) credit for each class period per Semester.

## **Graduation Requirements**

North Newton School Corporation policy currently requires a student to successfully complete seven (7), or eight (8) semesters of instruction and meet all graduation requirements as established by the Indiana Department of Education to be eligible for high school graduation. Students who are pursuing a Certificate of Completion will not be included in the top 10% recognition of their class. The Indiana State Department of Public Instruction has indicated that students in Grades 7 - 12 are to be enrolled in classes for a minimum of 360 minutes per day

### **INDIANA DEPARTMENT OF EDUCATION SUPPORTING STUDENT SUCCESS**

*Special Note: Graduation requirements are frequently in transition at the state level. Any changes by the State of Indiana may supersede the information in this section. Currently, the state is in the process of implementing the new Graduation Pathways requirements which may offer other options for students struggling to meet current graduation requirements. It is important to meet with the guidance department to know all the current options available to students to meet the graduation requirements.*

### **Children with disabilities (IC20-32-4-5)**

If a student with a disability (as defined in IC 20-35-1 -2) does not meet graduation requirements, the student's case conference committee (CCC) may determine that the student is eligible to graduate if the CCC finds the following:

- The student's teacher of record, in consultation with a teacher of the student in each subject area in which the student has not achieved a passing score, makes a recommendation to the CCC. The recommendation must:
- be agreed upon by the principal of the student's school; and supported by documentation that the student has attained the academic standard in the subject area based on:
- tests other than the graduation examination; or
- classroom work.

The student meets all of the following requirements:

- Retakes the graduation examination in each subject area in which the student did not achieve a passing score as often as required by the student's individualized education program (IEP).
- Completes remediation opportunities provided to the student by the student's school to the extent required by the student's IEP.
- Maintains a school attendance rate of 95% or better over the course of the high school experience to the extent required by the student's IEP (excused absences are not counted against a student's attendance rate).
- Maintains a grade point average of "C" or better in the courses required for graduation (a total of 34 credits — see attached list).
- Satisfies all state and local graduation requirements.

### NCAA Division I & Division II Eligibility Guidelines

If you are planning to enroll in college as a freshman and you wish to participate in Division I or Division II athletics, you must be certified by the NCAA Initial-Eligibility Clearinghouse. The Clearinghouse was established by the NCAA member institutions in January 1993. The Clearinghouse ensures consistent application of NCAA eligibility requirements for all prospective student athletes at all member institutions. It is your responsibility to make sure the Clearinghouse has the documents it needs to certify you. Application forms are available in the Guidance Office. A quick reference sheet for NCAA Freshman eligibility standards can be accessed [www.ncaaclearinghouse.net/ncaa/NCAA/common/index.html](http://www.ncaaclearinghouse.net/ncaa/NCAA/common/index.html) the official NCAA web site. This web page also provides a core grade point average sliding scale. Any student interested in Division I or II athletics is strongly urged to visit this site or seek pertinent information from our guidance department.

### **New Student Enrollees and Re-Enrolling Students**

Enrollment procedures at North Newton Jr./Sr. High School are administered by the counseling staff. The student must be in good standing with the sending school and be able to present a birth certificate, proof of guardianship and residency. When new students enroll, North Newton High School's grading scale and weights will be used to calculate the student's GPA. Previous schools grading scales and weights will not be considered.

### **Online Coursework and Credit Recovery Programs**

North Newton Junior-Senior High School partners with Edmentum Courseware to offer online options for some classes. However, enrollment in online classes is determined on a need basis and is primarily intended for credit recovery purposes if a student has failed a class needed for graduation. Students are allowed to take 2 online courses per school year. These courses do not count towards summer school. There are also other special circumstances that may exist that make it necessary for a student to work online in order to stay on track for graduation. Online course grades supporting graduation requirements are due the first school day in May or at the Principals discretion. Enrollment in online courses is at the discretion of NN administration.

Prior to beginning an online course, students must:

- Complete an Online Course Agreement (OCA) that identifies the start date, end date, drop date and explains requirements and expectations for the independent study course.
- The OCA must be signed by a parent and returned to the guidance office.
- Classes not completed by the end date will be entered as a W/F and the fee will not be returned.
- Take your OCA to Kira Christenson to get registered on the Edmentum Site and get your sign-on information.

### **\*\*\*Online courses are not weighted.**

Students enrolled in online courses during the summer must have administrative approval. Summer school class must be completed by due date provided when registering for summer school.

### **Permanent Records and Transcripts**

Permanent records of student grades and test scores are maintained in the school office. The privacy laws give you and your parents the right to review these records. Transcripts will be forwarded to you if:

1. A transcript release is signed by the parent if the student is not 18 years of age. If the student is eighteen, the form can be signed by the student.
2. Currently enrolled students may forward as many copies of their transcript to colleges and other agencies as they need them.
3. Transfer of records between schools will be processed automatically upon request from the receiving school, as in the case of a student who transfers to another high school.

### **Post-Secondary/North Newton Credit Enrollment Rule (Article 10)**

Credit may be earned at any accredited public or private college or university located in Indiana that grants a baccalaureate or associated degree. Any student in grades 11 or 12 may enroll full-time or part-time in a college or university program to earn credits toward graduation from high school as well as credits in the college program if:

1. Progress toward graduation is not delayed
2. North Newton could not offer the course
3. The course is a course for which credit can be given. Website <http://www.transferin.net/CTL/View-Courses-By-CTL-Name.aspx>
4. The student is in good-standing with North Newton

It is counted as a weighted course if approved by the principal and counselor. Grade received by May 20 the current school year.

### **Student Records**

For any student to be declared eligible for extra-curricular activities (clubs, athletics and ANY dances) students should not have more than one “F” or “W/Fs” and must be passing a minimum of 5 credit hours. Students with non-traditional schedules will be reviewed by administration on a case by case basis. If any student has had significant absences 5-7 and/or received an attendance letter, or student is absent the day of the event, they will be ineligible to attend the event.

### Academic Probation

Academics are a high priority at North Newton Jr./Sr. High School. Any student who has more than (1) “F or W/F’s” on a report card or is not passing 5 courses will be ineligible until the next nine (9) week report card is issued. The Mid-Term grades are an indicator for whether the student needs to improve their grades to become eligible and will no longer be used in evaluating grades. Semester grades take precedence over nine weeks grades. Eligibility will carry over from spring semester to fall semester except for 8th graders entering into 9th grade. Choir and Band students would still be expected to perform in concerts and contests, as these are requirements for class. Other extra-curricular groups such as Drama, Science Olympiad, Dance, FFA, FCCLA, BPA, etc., would all be expected to maintain the same level of academic achievement.

## **Student Activities/Athletic Participation**

North Newton Schools recognize the value of a comprehensive extra-curricular program and encourages student participation. All activities require the approval of an administrator and must have a teacher sponsor. Activities and functions are prohibited that are not under the direct supervision of a teacher sponsor. Students must be legally enrolled in the educational program in order to participate in extracurricular activities. To be eligible to participate in extracurricular activities, a student is expected to be present in school the day of said activity. See Athletic Handbook for detailed explanations. In case of mitigating circumstances, the Principal may waive the attendance requirement. Any student with more than four (4) unexcused absences or truant absences per class, per semester may lose their right to participate in extracurricular activities. Students participating in or attending extra-curricular shall conduct themselves with pride and dignity to bring honor to themselves, their school and community. All policies, rules, regulations, or guidelines pertaining to student behavior and conduct shall be in effect for extra-curricular activities. The rules and regulations of the Indiana High School Athletic Association shall govern all appropriate interscholastic athletic programs. The rules and regulations adopted by the North Newton Jr./Sr. High School Athletic Council shall govern student athletic participation. The following schedule is recommended as the closing time for all evening activities: 9:30 p.m. for all activities during the week. 11:00 p.m. for all activities on Friday and Saturday.

For special events, such as the prom, a later closing time may be approved by the Principal.

Wednesday (after the school day) and Sunday activities are discouraged and must have the approval of the Superintendent. Organizations shall make every effort to avoid evening activities during final examinations.

## **Athletic/Extracurricular Eligibility**

Students must arrive by the end of first hour to be eligible for practice, games, dances, and/or any other school function.

## **Concussion Policy:**

1. All Coaches (contracted and volunteer) must complete the online concussion course prior to the start of the season. Coaches must turn in the certificate of completion to the Athletic Director upon completion of the course. Coaches only need to take this course once. It does not need to be repeated each year. After year one, only newly hired coaches will need to complete the course.
2. Each athlete (**Grades 9 – 12**) **who is participating in interscholastic and/or intramural sports**, and their parents will be provided with and/or have electronic access to a concussion information fact sheet. Each athlete and their parent must sign and return the “Head Concussion Acknowledgement and Signature” form prior to being allowed to participate in practice.
3. If a head injury or concussion is suspected by a coach the athlete should be removed from participation in the sport and seen for further assessment by the high school Athletic Trainer immediately. If a concussion or head injury is suspected when the Athletic Trainer is not available, the head coach must notify the athlete’s parents as well as the Athletic Director or Athletic Trainer. The Athletic Director or Athletic Trainer should be notified ASAP.
4. The Athletic Director will notify the school nurse about any athlete suffering from a head injury.
5. If a concussion is suspected, the athlete involved may not participate in any practice, game, or contest until they have a note releasing them to return to participation from a licensed medical professional. The athlete needs to be cleared by either a MD or a DO. The athlete must have their doctor complete the “Head Concussion Evaluation and Release to Play Form for Licensed Health Care Providers.” Copies of this form will be provided to Athletic Trainer, Coach, and school nurse. The school nurse will provide the information to the athlete’s PE teacher if applicable. The athlete will be returned to participation in sports-related activities following the instructions and recommendations listed on the form by the licensed medical professional.

6. If a student athlete is injured during Physical Education class, the teacher must contact the school nurse ASAP. It is then the nurse's responsibility to contact the Athletic Director and the Athletic Director must contact the Athletic trainer.
