

Exciting News for North Newton Families: **Free Meals for All Students Starting 2025–2026!**

We are excited to announce that North Newton School Corporation will be participating in the Community Eligibility Provision (CEP) starting in the 2025–2026 school year — and that means FREE breakfast and lunch for every student in all of our schools!

What does this mean for you?

- All students enrolled in any North Newton school will receive free meals every school day — no applications, no income verification, and no paperwork needed.
- This program ensures that all students have access to nutritious meals to help them focus, learn, and succeed in the classroom.
- It also helps support families by removing the financial burden of paying for school meals.

When does this start? The free meal program will begin on the first day of school: August 7, 2025.
