

North Newton Developmental and Community Preschool

Our program is dedicated to enhancing the development of all children, providing each child with a safe and loving learning environment. Our developmental class (AM) includes children with special needs, but we do take a limited number of same-age peers. Our class is designed to help your child develop socially while building a solid academic foundation aimed at readiness. We stress respect, imagination, and curiosity for learning. We share your hope that your child's preschool years will be happy and full of enthusiasm for learning. This is an exciting and important time in your child's life. We will do our best to make the time we spend with your child productive, meaningful and memorable.

Our afternoon community preschool (PM) is tuition-based and is focused on kindergarten readiness skills. Community preschool is \$20 per half-day (\$80 per week). Parents should make their payments to "North Newton School Corporation." Payments are to be made on a weekly basis and can be mailed to or dropped off with Anna Wynn, the Lake Village Treasurer, in the office.

General Information

Lake Village Elementary
3281 W 950 N
Lake Village, IN 46349
219-992-3311
Principal: John Klein

Preschool Teacher

Eva Prohosky
